5. Sri N.P. Sharma, CE (R1), BMRCL.
6. Sri T.L. Ravi Prakash, Senior Manager (Public Relations), BMRCL.
7. Sri M. Ravi Kumar, AEE, BBMP.
8. Sri Linge Gowda, AEE, BBMP.

The Managing Director, BMRCL welcomed the Hon'ble MLA and representatives, Residents of Jayanagar, R.V. Road, Marenahali Road, Ragigudda and Jayadeva Hospital Junction. He briefed the progress of Metro Phase-1 Project and proposed Metro Phase-2 & Phase-3 Projects. The local representatives suggested and requested clarification on construction of R.V. Road Station on Lakshman Rao Park, Jayanagar, Bangalore for Phase-2 Project. The details are as below.

Demands/Suggestions from the public for the present alignment of phase-2 on R.V. Road:-

1. Implement the Project as per the law duly publishing in master plan of Bangalore Development Authority.
2. Environment impact shall be assessed before project implementation.
3. Save Trees/Park – our responsibility for future generation.
4. Save buildings.
5. Service roads shall not be disturbed.
6. Acquisitions shall be barest minimum.
7. Take public into confidence.
8. If necessary core committee may be formed to think of alternative alignment.
9. Examine providing station over the existing R.V. Road Station constructed under Phase-1.
10. If necessary consultant from abroad may be used to save the park.
11. Requested to publish the discussion of the today's meeting.

BMRCL response

The Managing Director replied to the above demands/suggestions as below:

1. The metro alignment of Phase-2 in R.V. Road section is traversing on the edge of western side park near to 3rd main between 33rd cross and 46th cross. Further the alignment turns towards left side on Marenahalli road and traverses on the road median via Jayadeva Hospital, Central Silk Board and reach Bommasandra.
2. The Bangalore Metro Rail Project is approved by both Government of India & Government of Karnataka and all procedures are followed before starting the project. The proposal for incorporating the details of Metro rail alignment including stations, depots and metro corridor in revised master plan has already been submitted by BMRCL to BDA. The same has been approved by BDA (BDA letter dated: 05.03.2014 is attached).
3. Metro Rail projects are exempted from obtaining environment clearance.
4. Land Acquisition is restricted to the barest minimum and avoided the dismantling of residential buildings of 5th Block side and 8th block side of R.V. Road.
5. All suggestions regarding locating the proposed R.V. Road station above the existing R.V. Road station of Phase-1 will be examined.
6. All suggestions regarding minimising the tree cutting and utilization of park area will also be examined.
7. Minimum service road width will be made available during construction in R.V. Road stretch.
8. BMRCL will assure that no commercial buildings will be constructed above and around R.V. Road Station.
9. The details of decision will be published in the BMRCL website.

The meeting ended with vote of thanks

Dear Sir,

Sub : Environmental clearance for Bangalore Metro Rail project

This refers to the meeting held under your chairmanship on 11th March 2005 in your chambers. You enquired as to whether environmental clearance has been obtained for the project or not. I informed you that the project does not need environment clearance. However, you desired to have a written communication in this regard from the Ministry of Environment & Forest, Govt. of India.

I enclose herewith a copy of letter No. 5-10/2005-IA-III dated 11th April 2005 from the Ministry informing that the Bangalore Metro project does not need environmental clearance.

This is for your kind information.

With kind regards,

Yours sincerely,
