BRIEF DETAILS OF THE TENDER CALLED FOR APP-BASED CAB SERVICES AT THE METRO STATIONS

Date: 3rd December, 2016.

Ref: BID NO: BMRCL/GMF (T&R)/PD/App-Based Cab Services/2016-17

Dated: 03/12/2016.

1. The Metro Rail system offers connectivity to the commuters along the corridor but it does not offer the first mile or the last mile connectivity. Therefore, the 'First Mile to Last Mile' connectivity is a major challenge in public urban transportation system. BMRCL has been making efforts to bridge this gap in various ways. We have tied up with the BMTC for the feeder route services and this has proved to be a great success. Recently, BMRCL introduced the Bike hiring system at the Metro Station to enable the last mile connectivity and within a short period of time, this system has proved to be popular with the commuters. In order to further supplement the options for the last mile connectivity, BMRCL proposes to provide Kiosks for the App-Based Cab (Taxi) Aggregators /Services Providers either at the paid or unpaid area within the Namma Metro Stations to enable commuters a quick and hassle free last mile connectivity as and when they exit from the station platform. The term "App" used here is an abbreviation for "Application Software" designed to run on mobile devices such as smart phones/computers and used for a variety of online purchases of goods & services. The App-based cab operators are permitted to devise their application software and revenue model that is best suited for the commuters. Commuters can have the choice of shared cab services or individual cab service or any other type of service that is convenient to both the App-based Aggregator/ Service provider and the commuter. With this objective to provide the last mile connectivity to the commuters, this tender has been floated.
2. Tenders in the prescribed form duly sealed are hereby invited from **App-Based Cab Aggregators/Services Providers** for granting exclusive license at the Namma Metro Station detailed in the **Table 1** below, to operate online booking services for Metro Commuters for a period of **2 (Two) years**. The successful bidder will be permitted to set up two kiosks close to the exit-entry gates of the respective stations and the Kiosk will be generally located at the paid area. The size of the kiosk shall not exceed 5x6 feet each. The following are the stations listed in **Table 1** offered for operating online App-Based Cab Services.

TABLE 1

Sl. No.	Name of the Station	Location Code	Paid/Unpaid Area
1	Baiyappanahalli	R1/BYPH/PL/13	Paid

- The parties eligible to participate in the tender must have a license issued under the **Karnataka On Demand Transportation Technology Aggregator Rules, 2016** or at least applied for the same and pending its issue, the bidder can participate in the bid. It will be the bidder's responsibility to get the license issued by the appropriate authority for being an online cab aggregator in order to operate the license, if and when awarded.
- The object of this tender is to provide the commuters, the last mile connectivity to the commuters of Namma Metro. The successful bidder can evolve their own scheme to facilitate the last mile connectivity and charge a fee to the commuters for rendering this service.
- The license tenure is for two (2) years from the date of signing of the license agreement with BMRCL.

6. Tender documents will be sold from **5th December, 2016 to the 22nd December, 2016** on all working days between **11.00 hrs and 17.00 hrs.** at the office of BMRCL located on the 3rd Floor, BMTC Complex, KH Road, Shanthinagara, Bengaluru-560027.
7. The cost of the tender document is **Rs.10,000/- (Rupees Ten Thousand only)**, inclusive of KVAT which will be non-refundable. Only one set of tender documents shall be sold to a bidder.
8. The Schedule of Sale of tender documents, date of Receipt of tender documents & date of opening of technical bid is furnished in the Key details.
9. Bidders can make a site visit on any date between **10 AM to 4 PM** from the **7th December, 2016 to 12th December, 2016** at the respective locations to see the area demarcated for setting up of the kiosk for App-based booking of cab services for the commuters.
10. Tender documents (Envelope '1', '2' and '3' separately) duly completed in all respects should be submitted at the address given in the Key Details on or before the dates and time mentioned therein. Any tenders received after date & time stated above shall not be entertained under any circumstance.
11. The Technical Bids (Envelope '2') of the tenderers shall be opened as per schedule given above in the presence of the interested tenderers or their authorized representatives.
12. The date of opening of the Financial Bids (Envelope '3') shall be intimated to the bidders who have qualified in the technical bid round.
13. Pre-bid meeting will be held on the **22nd December, 2016 at 4PM** at BMRCL Corporate Office, 3rd Floor, BMTC Complex, Shantinagar, Bengaluru-27.
14. Tender documents duly completed in all respects should be submitted on or before 1500 hrs on 5th January, 2017 at the address given in the Key Details.
15. BMRCL reserves to itself the right to reject the conditional tenders without assigning any reason thereto.
16. BMRCL reserves to itself the right to reject any or all tenders without assigning any reason thereof and to call for any other details or information or clarifications from any of the tenderer(s).
